

NORTHSTONE

QUARRY & ASPHALT DIVISION

Special Products

Introduction

In 1990, Northstone (formerly R J Maxwell & Son Ltd.) set up a Special Products Division to develop and pioneer new products and processes which provide high performance, durable and cost effective solutions for today's highway engineer specialising in road construction and maintenance.

Northstone (NI) Limited, Quarry & Asphalt Division, is an ISO 9001 registered company and takes pride in carrying out work safely, on time, and in accordance with the customer's requirements.

All materials are laid to the appropriate British Standard, BBA certified Quality Plan, or proprietary specification, by specially trained contracting crews using the latest in plant and machinery.
